Dear Brayton:

I should like nothing better than to come out to California for your Trustees Meeting. It is not easy to get away these days, but I am having a look at the situation, and I shall be in touch with you in the very near future. I can't think of anything that would be pleasanter than the program you suggest. Also I have an outstanding promise to [redacted] to come out and make a talk that he is promoting. In the next few days I shall try to see what the possibilities are and let you know.

Faithfully yours,

Allen W. Dulles
